

AGI SKY VILLAS

A NEW WAVE OF LIVING LUXURY

About Us

AGI Infra Ltd. is a public limited company engaged in development of residential and commercial projects, having its head office situated in Jalandhar (Punjab). The Company is listed on the Bombay Stock Exchange since 2015 and has its operations all over Punjab.

Over the last one decade, the company has delivered many mega projects-residential and commercial, with product range varying from affordable home to Mid-segments and High-segments, including flats, penthouses, plots and independent villas and commercial developments including office and retail space.

Currently, the company is executing one of its milestone projects in Jalandhar, which also is one of the biggest residential projects in the state of Punjab.

Along with being engaged in the development and construction business, the Company has also diversified to Hospitality and Education sector.

Mass construction practices and a solid in-house underpinning in terms of infrastructure makes the company more competitive in the market. Apart from its own projects, the company has also done many other mega construction projects like construction of universities, hospitals, schools, malls, auditoriums, hotels, industrial buildings, paper mill etc, thereby adding to our varied experience and skill-set.

The company takes great pride in its large team of professionals and highly-skilled workforce. The company's top management comprise of professionals possessing over three decade's worth of experience in business and field of finance, thus ensuring the stakeholders with a sense of security and confidence.
